Lunch Buddies Program

The 2010-2011 hourly rate is \$8.00. Once enrolled, you will be given a fee schedule for the year. This schedule takes all holidays and vacations into account. If you do not sign up at the March Open House, you may request to enroll or make adjustments to your child's schedule during the school year by contacting the Lunch Buddies teacher. Once your request is approved it will be effective the first of the upcoming month.

Unlike the tuition payments, your Lunch Buddies payment is a **monthly** payment and it is to be paid by the first of the month and no refunds will be made for absences of any kind. **We request a separate check for Lunch Buddies payments.**

We encourage parents to schedule both of these payments online with your financial institution to insure prompt and accurate payment. Payments received after the 10th of the month are considered late.

All checks should be made payable to the Town of Boxford and can be dropped off in the gray drop box marked "Tuition" on the wall in the Main Office or mailed to us at 26 Middleton Road, Boxford, MA 01921

*Families with more than one student enrolled in the preschool will receive a 10% discount on the second (and third) annual tuitions. There are no discounts for the Lunch Buddies program.
